

# RADICAL CREATIVITY ART WALK

MONDAY, DECEMBER 12 | 6-8 PM | FREE AND OPEN TO THE PUBLIC

Join Radical Creativity for an inspiring night that celebrates both art and science, as well as their unique capacity to convey powerful messages when combined.

All installations will be viewable at their respective venues from 6-8 pm. Gallery talks will take place at specified times.

General reception with food and drinks at the Waller-Yoblonsky Gallery starting at 7:30.

## KRONOS

6 PM | ROMNEY GYM DANCE STUDIO

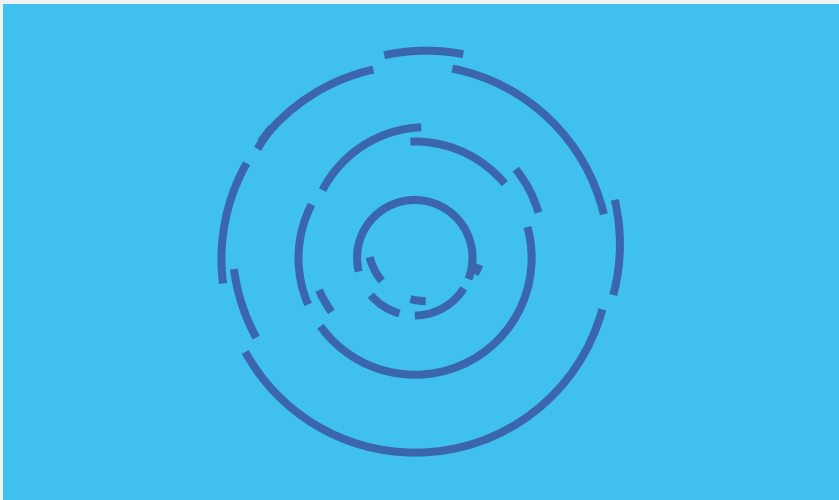

Not all perceptions of reality are created equally. Experience an immersive dance showing how gravity and motion come together to create time dilation.

## Λ

6:30 PM | SUB ROOM 232

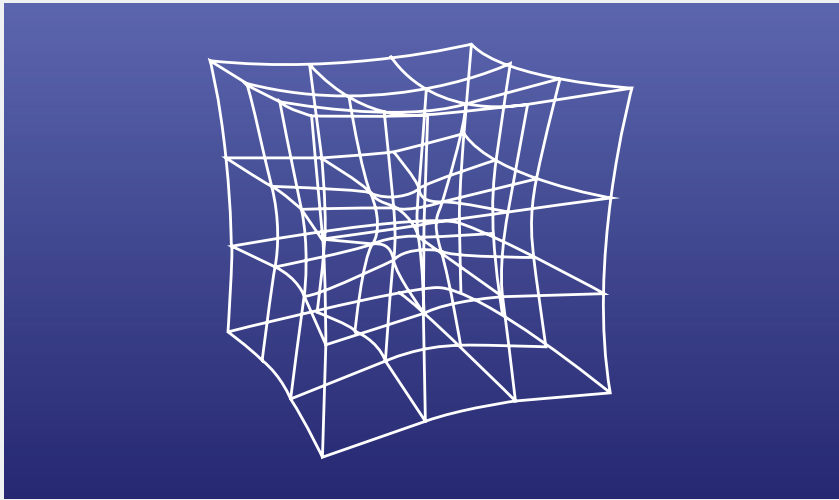

Take a step inside Dark Energy. Stimulate your senses and experience the mysterious force which governs the expansion of our universe.

## OUT OF THE CHAOS

7 PM | JAKE JABS HALL

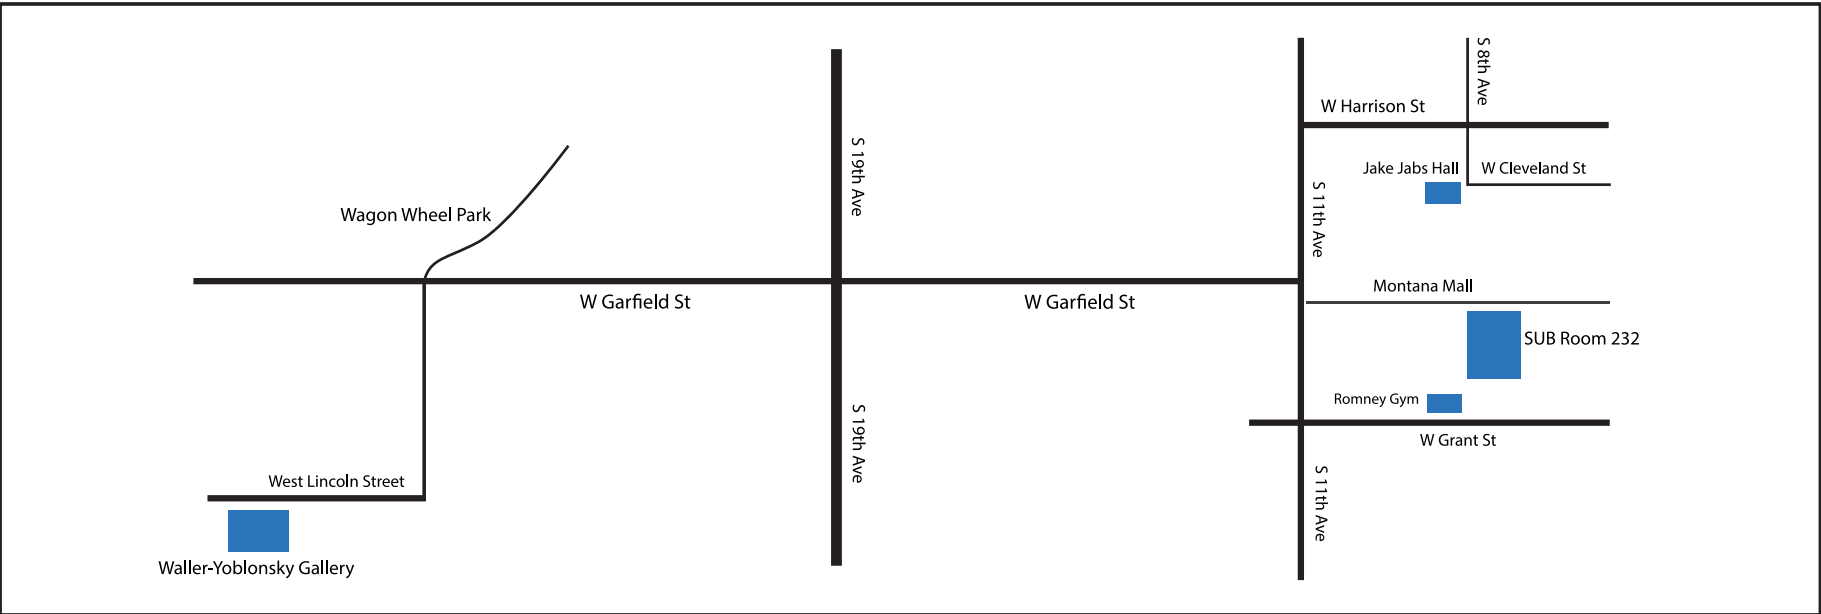

From seemingly chaotic pieces emerge a simple yet stunning reality: order and disorder are not always what they seem.

## THE BENT DIMENSION

7:30 PM | WALLER-YOBLONSKY GALLERY

Walk yourself through spacetime in an immersive exhibit that explores three-dimensional distortions of space about a cosmic mass.

Sponsored by the MSU Honors College, DSEL, MSU School of Architecture, and the MSU Physics Department
